PREVIOUS EXPERIENCE

Co-founder, JustSixDudes

May 2024 - August 2024

During the summer of 2024, me and a couple of friends founded a company that did landscaping, moving, and any other sort of odd job for people around our community. Over the course of the three months we operated, we generated around 10,000 dollars in revenue.

Employee, The Links Golf Course – *Cart Barn and Pro Shop*

April 2022 - August 2022, April 2023 - September 2023

I was employed over the summers after my Sophomore and Junior years. The first summer I managed the output of golf carts as well as the regulation of practice golf balls. The second summer I worked in the Pro Shop during the course. I kept track of each golfer on the course to make sure they were playing at pace as well as handling customer transactions and managing the pro shop inventory.

EDUCATION

Chaparral High School, Parker, CO – Class of 2024

At Chaparral, I graduated with a 4.3 weighted GPA and a 4.0 unweighted GPA. I was a member of the National Honor Society, and I played Soccer and Basketball throughout my four years.

University of Colorado Boulder, Computer Science B.S.

I am currently enrolled at CU Boulder. Currently, I am on pace to graduate in three years with a Bachelor of science in computer science and a minor in mathematics.

SKILLS

Programming languages: C++,
Java, Html, Javascript

Software Development: Git,
vsCode, Linux
